

PHILIPPINE COUNCIL FOR AGRICULTURE AND FISHERIES

NATIONAL SECTORAL COMMITTEES & STRATEGIC CONCERNS COMMITTEES

The **National Sectoral Committees (NSCs)** were formed by the then **National Agricultural and Fishery Council** in 1987. The Council later modified the NSCs and created **Strategic Concerns Committees** based in Strategic and Emerging Concerns.

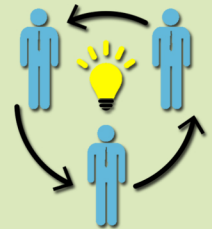

Serve as consultative venues for Department of Agriculture (DA) and related agencies, national government agencies, national industry groups and civil society organizations.

Serve as a convenor of consultations and policy and program dialogues.

Deliberate industry/commodity-specific strategic and emerging issues and concerns and recommend policies and programs to resolve these issues.

Provide feedback and policy recommendations to government planners and implementers of programs and projects through participatory monitoring and tracking activities.
